

Annual Dementia Test

Okay friends - this is tough - so get to thinking

Your Yearly Dementia Test! (only 4 questions this year)

This one has some different questions than last year.

Yep, it's that time of year again for us to take our annual senior citizen test.

Exercise of the brain is as important as exercise of the muscles.

As we grow older, it's important to keep mentally alert.

If you don't use it, you will lose it !!

The spaces below (answers on the following page) are so you don't see the answers until you've answered.

#1. What do you put in a toaster?

Answer: 'bread.' If you said 'toast', just give up now and go do something else.

And, try not to hurt yourself.

If you said, bread, go to Question #2.

2. Say 'silk' ten times. Now spell 'silk.' What do cows drink ?

Answer: Cows drink water. If you said 'milk,' don't attempt the next question.

Your brain is already over-stressed and may even overheat.

Content yourself with reading more appropriate literature such as Women's Weekly or Auto World.

However, if you did say 'water', proceed to Question #3.

3. If a red house is made from red bricks and a blue house is made from blue bricks and a pink house is made from pink bricks and a black house is made from black bricks, what is a green house made from ?

Answer: Greenhouses are made from glass.

If you said 'green bricks', why are you still reading this ? ; PLEASE, go and lie down ! But, if you said 'glass,' go on to Question #4.

4. Please do not use a calculator for this for it would be cheating:

You are driving a bus from Jurong to Changi. at Bukit Batok, 17 people got on the bus. At Clementi, 6 people get off the bus and 9 people get on. At Outram, 2 people get off and 4 get on. At Marine Parade, 11 people get off and 16 people get on. And at Eunos, 3 people get off and 5 people get on. You then arrive at Changi.

Without going back to review, how old is the bus driver ?

Answer: Oh, for crying out loud !

Don't you remember your own age?!?! It was YOU driving the bus!

If you pass this along to your friends, pray they do better than you.

PS: 95% of people fail most of the questions!

Sorry for all the spaces... You'd be tempted to cheat otherwise...

If you had fun with this, send it on.. I did... I already know that even when you missed a question, you went on to the next one, didn't you.

Congratulations.. life is like that , even when you fail , you keep going and persisting. Failure is no reason to give up...
