

Bird List: Mitchell Plateau No. 2: May-June 1997

This was not a specialist birdwatching trip. The list is courtesy of Jessica Wilson, one of the participants on the trip who had a particular interest in birds. A keen birdwatcher should still be able to see most of these – and perhaps a few others.

Pied Cormorant
Australasian Grebe
White-faced Heron
Black Bittern
Brolga
Black-fronted Dotterel
Whistling Kite
Wedge-tailed Eagle
Brown Goshawk
